Harmony

ne- ver late for din- ing in the feast hall When din- ner's called I
 must have been a spe- cial on ci- lan- tro Or why else would it
 cook went o- ver bud- get on the pea- cock that's why we're get- ing
 suck- ling pig is on- ly raw in pla- ces I guess a bite of

has- ten to my seat It's not that I'm as- sum- ing that the meal
 be in ev- ery dish? They've cooked e- nough for ar- mies you can take
 gruel with ev- ery course The say that can- died her- ring soaked in mead's
 cab- bage could- n't hurt they say it's more nu- tri- tious if you don't

will be a treat but the first
 all that you wish but how much
 au- then- tic Norse this roa- sted
 wash off the dirt at least the

things on the ta- ble may be all I have to eat The
 can you eat of boiled - snouts and pic- kled fish? I ne- ver I
 meat is not half bad but where's the prin- ce's horse? There's
 last re- more is safe— how can they wreck des- sert?

25 G C D G

bread and cheese are laid out on the ta- ble with but- ter,
 knew that you could do that with a tur- nip eat it would be
 don't know how they got that shade of pur- ple I can't be- gin to
 some- thing frit- tered best not look too close- ly And sug- ared egg- plant

30 C D C

mixed with herbs or straight I'll tuck in to them - gree- di- ly and
 real- ly such a crime There's some- thing green that's float- ing in a
 guess what's in the pies heat This fish head stew's o- kay but did they
 jig- gling in the heat The pie looks just like cher- ry but it's

35 D C D

pile them on my plate for then there'll be no room and they'll be- lieve me when I
 mil- ky pool of slime my lord, please pass the bas- ket with the bread here one more
 need to leave the eyes? and will our wai- vers co- ver us when ev- ery bo- dy
 real- ly made with beet Just pass the hon- ey but- ter and I'll have my some- thing

40 chorus G C G

state I'm sure the next re- move's not on my di- et I
 time... dies? sweet
